

## Board of Directors

---

### Kathleen Regan

Venture Partner of Radius Ventures

Kathleen Regan is a Venture Partner at Radius Ventures, LLC, a venture capital firm focused on leading-edge health and life sciences companies. Ms Regan has been investing in and advising healthcare companies, primarily in the medical device and biopharmaceutical sectors, for the last twenty five years.

Prior to joining Radius, Ms Regan was the Executive Vice President of Keystone Dental, Inc. a portfolio company of Warburg Pincus LLC, focused on the dental implant and oral maxillofacial markets, where she headed up strategy and business development. Prior to that, between 2003 and 2008, she served as a consultant to Warburg Pincus LLC, a leading global private equity firm, where she was involved in investing with the medical technology team and served as a board member to several portfolio companies, including NuLens, Inc., Biosyn, Inc and Solarant, Inc. Previously, Ms Regan spent fifteen years in healthcare investment banking, serving as a Senior Managing Director and Director of Healthcare Investment Banking at SunTrust Robinson Humphrey LLC and, previously as a Managing Director at Freedom Securities Tucker Anthony.

Ms. Regan also serves on the Board of Aeris Therapeutics, and is active on the advisory boards of several not-for-profits, including, Rockefeller University Women in Science and The Juvenile Diabetes Research Foundation. She holds a B.A from Princeton University in European History, Cum Laude and High Honors in European Cultural Studies.
